Great Lakes Shipyard is seeking a New Construction Foreman ("NCF") for its facility in Cleveland, Ohio. The Shipyard specializes in all types of commercial and government vessels and barges, as well as both on-site and off-site topside work, steel fabrication, and emergency repairs of every kind. The company has been in business for 115 years.

The NCF is the senior manager responsible for successful fulfillment of all new construction contracts, including the safe and effective completion of all new construction projects and programs on time, within budget, and in a high quality manner.

As a senior member of the shipyard staff, the NCF plays a vital role in the organization. The NCF is directly responsible for establishing and supervising all new construction processes, and determining best methods and procedures that will produce the most cost effective results, without compromising quality. Other duties include monitoring and overseeing progress, ensuring work complies with specification and client requirements, and that every detail of the construction program, including welding, machinery installation, electrical, auxiliary systems, outfitting, commissioning, sea trials and delivery of any assigned vessels is safely completed in a very high quality manner within the delivery time required and within budget. Oversight of all new construction projects includes all personnel, budgets, schedules, purchasing and vendor tracking, and labor hour forecasting.

Additional responsibilities include multiple and varied fabrication, production, and shipyard or engineering-related assignments, as directed.

NCF will have a working knowledge of ABS Rules, work with ABS, Lloyds, DNV, BV and others as required to meet all quality and regulatory requirements.

The first ninety (90) days of employment will be an introductory period. Successful completion of the introductory period is required for continued “at-will” employment. We offer an excellent benefits package that includes healthcare, dental, vision, short-term and long term disability insurance, employee assistance program, 401(k) profit sharing plan, vacation time, sick time, company paid holidays and a friendly working environment.

Candidates must be able to pass background check and chemical testing and have E-Verify authorization. Submit cover letter and resume with salary requirements: by email: hr@thegreatlakesgroup.com; by fax: 216-781-7472; or by mail: Attn: Wanda Reddy, The Great Lakes Group, 4500 Division Avenue, Cleveland, OH 44102.
