

August 2017

MARINE SURVEYOR POSITIONS

National Cargo Bureau, Inc., is presently seeking applicants for a full time Staff Surveyor positions in our Houston, New Orleans and Savannah offices. Other openings also come up periodically in other ports.

National Cargo Bureau, Inc., is a non-profit organization, established in 1952, dedicated to the safe loading, stowage and carriage of maritime cargoes, with 17 offices covering all coasts of the United States. See our website at www.natcargo.org.

Candidates with a Master or Chief Mates License and sailing experience are preferred, but applicants with other grades of Unlimited sea-going licenses are welcome to apply. Graduation from a recognized Maritime Academy (e.g. Kings Point, SUNY, etc or International equivalent) is preferred.

Bulk carrier/draft survey experience and/or Container Ship/Hazmat Cargo experience is desirable, but not essential as full training will be provided to the right candidate. Good verbal and written communication skills are essential as well as good theoretical knowledge and practical experience in Ship Stability.

Residence in the USA is required, as well as a valid US Drivers License and valid TWIC (Transportation Workers Identity Credential) Card.

Annual compensation (base salary, COLA, weekend comp and bonus) is generally \$70,000 - \$80,000 for the first full year of employment. Excellent benefits, including company vehicle, medical/insurance, defined pension plan and 401K plan.

Please forward your resume for consideration. For more information or application form, please contact Capt. Davies at (212) 785-8300 Ext 05 or email davies@natcargo.org or ncbnyc@natcargo.org
