

Ship's Doctor for the Summer Sea Term 2018

About SUNY Maritime College:

SUNY Maritime College located on a 55-acre scenic waterfront property on the outskirts of New York City on the Throggs Neck peninsula where the East River meets Long Island Sound. The campus blends the best of two worlds: a comfortable college-town feel with the greatest city in the world. An impressive view of the sound extends toward the North Atlantic, yet only a few miles away are Yankee Stadium and midtown Manhattan. SUNY Maritime offers an array of employment opportunities stemming from entry level to professional positions which encourage growth and development among its employees.

Job Description:

EMPIRE STATE is a public vessel of the United States, solely operated for the training and licensure of the cadet midshipmen. While onboard the cadets are engaged in classroom lecture, maintenance and repair, watch keeping, and drills and training exercises all in preparation for their eventual licensure. Of the 575 cadets onboard, there will be approximately 20% that are also in ROTC, and preparing for commissioning in the Armed Services following graduation and licensure.

In past years, and based on the anticipated number of cadets for this summer, we will be looking to hire a licensed Doctor for the entire training period, or for each half (approximately 52 days per half). Please note that the entire cadet compliment switch out half way through on a chartered flight that will also be provided to the Medical Staff onboard.

Description of Duties:

- Medical staff onboard perform the vital duties expected of the Medical Department onboard any Merchant or Navy ship
- Attending to sick call twice daily (in port and underway);
- Provide instruction in Medical Care Provider and CPR/AED;
- Daily supervision of Ship's Medical and cadet corpsmen
- Daily sanitary inspections of berthing, common areas, and food service areas with the Ship's Master - both underway and while in Port;
- Attendance with any incidents or injuries;
- Required alcohol and/or drug testing;
- Participation on the Ship's Safety Committee.
